

## **Input from 10/30/2013 Meeting. . .**

### **What would improve your quality of life?**

- A flood control district adequately funded

### **If I had a million dollars, I would . . .**

- Build a public transportation system with trains/busses (like Portland)
- Build parking garages near the Town Toyota Center and near downtown core
- Stop the flooding

### **Other Concerns:**

- Pershall development changed flow of canyon drain in area of Cypress Lane
